

## Happy Chanukkah!

As 2017 comes to a close and we celebrate the Festival of Lights, we acknowledge the magic of miracles, when over 2000 years ago the Maccabees found one tiny jug of oil which gave light for 8 whole days.

**Miracles didn't just happen in the past. They can happen today.**

Telfed: here for our community at all ages and stages of life

1. Sharoni hopes to go to **university** to study nursing and palliative care. She just doesn't know how she will be able to afford to pay her way through her studies...
2. Dovi's been looking for a **job** for over 6 months - he's searching for a break and needs some assistance...
3. **Single mom** Rachel has been saving her shekels so she can afford to pay for the braces her teenage son needs...
4. Darren is 10,000km away from his family. Serving in the **IDF**, he is alone this Chanukkah...
5. Sarah is in her 80's and wondering how she will make it through the month on her **National Insurance allowance**, especially since she had to pay NIS 600 to fix her fridge two weeks ago...
6. Newlyweds Barry & Danni applied for a reduced-rental **flat** in the Telfed building in Tel Aviv, so they have a place to call home in an English-based environment with familiar friends.
7. The Greens have just arrived in Israel from South Africa. It's **disorientating** and a bit scary being in a new place and trying to figure out how to do the simplest things in Hebrew...
8. Muluaem's family is from Ethiopia. They can't help him with his studies. If only someone could teach him to **read** English...

These people are waiting for a miracle. **For the last 70 years, our commitment at Telfed has been to be here for you, our community members, whenever you need us.** With your backing, we can continue to provide necessary assistance.

This holiday, we ask you to be part of a modern-day Chanukkah miracle for those less fortunate.

Your tax-deductible, **end-of-year donation** will bring relief where it is needed most.

As we celebrate the festivities, we wish you a **חג אורים שמח**.

You can call the office (09 7907819) or use the form and self-addressed envelope from the Telfed magazine to make your end-of-year, tax deductible gift.
